**JOINT MOTION FOR LIMITED EXTENSION OF DISCOVERY**  
**DEADLINE FOR SPECIFIC MATTERS**

Plaintiff, Glenn Heagerty, and Defendant, Equifax Information Services LLC (“Equifax”), by counsel, respectfully request a 30-day extension of the discovery deadline for two specific matters: (1) the deposition of Plaintiff’s wife; and (2) any motion to compel that Plaintiff may desire to file on the issue of documents related to Equifax’s purported request to NCTUE to cease certain practices. As grounds for this motion, the parties show that Plaintiff’s wife, a non-party, was originally scheduled to be deposed within the current discovery period, but asked to move her deposition date to March 14 due to an unexpected personal matter. Her deposition is currently set for that date.

Further, the parties have a single potential discovery dispute that recently materialized and which they are working to resolve through the meet and confer process. In the event the parties are not able to resolve the matter, Plaintiff intends to file a motion to compel. The parties have agreed to request a 30-day extension of any deadline for this motion should it become necessary for the Court to resolve the dispute.

Accordingly, the parties request that the discovery deadline be extended through April 8, 2019 for these limited purposes only.

Respectfully submitted this 7th day of March, 2019.
